

THANK YOU FOR BEING A SPONSOR OF ANDERSON-OPOLY

The fee for your sponsorship at the level you have chosen is \$_____

Included in your sponsorship is:

- a space on the game board
- a corresponding property card with an optional short narrative on its back
- the opportunity to provide an image that will be featured on your game board space.

Design Note: The game board space will provide a maximum two-line listing of your organization's name plus an area to include an image in color. The maximum size of this area is 1" tall by 1.25' wide, so it will be best to keep the image easy to interpret in a small size. A logo or a high-resolution photo will work best. Avoid phone numbers and addresses as they will clutter your space and serve little value during game play. It's best to consider the game board as an opportunity to show your brand. Use the back of the deed card for expressing more detail.

The position you have chosen
is shown on the game board
