AUG. 27, 2020

We are so excited to see all of our Eagles on Monday!

Our transportation routes are looking great. Dry runs were completed Tuesday and today. You can find your route information on our information hub. Go [Milfordschools.org](http://Milfordschools.org) Please know that every school year there is a plus or minus of 5 minutes on routes as we tune the routes. Please check over the weekend and periodically for these possible changes.

We continue to watch Ohio's Public Health Advisory System and look through the data very closely. Last week Clermont County was red, and this week we have been downgraded to orange. This is excellent news.

I want to stress that as this year progresses, things change weekly and many times even daily. We urge parents to have a backup plan in place if we do have to go to Plan B and all students are learning remotely. If Plan B is enacted the announcement will happen Thursday afternoon or on Friday morning and students will begin remote learning the following Monday.

Eagle Online students, your teachers can't wait to see you on screen Monday morning. For our In-Person students, our doors will be open Monday to welcome you back!

Don't forget to wear a mask!

Thank you, and make it a great day!
