

## COVID-19 Personal Protective Equipment Product Information

# LOOK TO THE LIGHTHOUSE

- Amid the COVID-19 global outbreak, it's likely to be a stressful time for those who work on the front lines of health care. Now more than ever, it's important for health systems and health care organizations to create and ensure an infrastructure and resources to support physicians, nurses and care team members.  
<https://www.ama-assn.org/delivering-care/public-health> April 6, 2020
- *The San Antonio Lighthouse for the Blind and Vision Impaired (SALBVI) is here to help source and supply crucial PPE products to protect and support HCWs and other persons and industries caring for the public during this pandemic. The health and safety of our customers remains our top priority.*
- *(SALBVI) is a non-profit 501.C3. Our mission is to empower the blind and vision impaired. Commercial services include procurement, distribution and delivery of goods to support the US Military and the public sector. All purchases made through SALBVI create critical funds that support rehabilitation , employment and educational programs for the blind and vision impaired.*

The image is a screenshot of the Tru-Form Plastics website page for their face shield. At the top left is the company logo, 'TRU-FORM PLASTICS', with the tagline 'An InterTrade Industries Company'. To the right is a large image of a clear face shield with a black elastic head strap. Below the image, the word 'FACE SHIELD' is written in bold capital letters. To the left of the shield, there is a section titled 'Overview' which states: 'Tru-Form Plastics is pleased to put its 30+ years of plastic thermoforming experience into providing face shields to the medical industry. We collaborated with doctors and nurses to design this face shield to their specific requirements.' To the right of the shield, there is a section titled 'Product Specifications' with a list of features:

- Face Shield from .010" - .040" PETG, PVC, or Similar Material (Used in Medical Device Packaging)
- 1 1/2" Soft, Open Cell Foam Forehead Cushion
- 9/8" to 9/4" Elastic or Neoprene Head Strap

At the bottom right, there is a section titled 'OUR MISSION:' with the text: 'Provide fast, reliable, and cost-effective solutions to medical communities.'

## Product Details

Manufacturer #	CLO32382
Scent	Unscented
Container Weight	26 oz
Height	6-3/4 in.
Number Of Sheets Per Unit	160
Width	6 in.
Deodorizer	Yes
Alcohol Free	No
Phenol Free	No
Antibacterial	No
Antistatic	No
Disinfectant	Yes
Flushable	No
Cleaner Use	Professional
Recommended Surfaces	Glass; Metal; Plastic; Tile; Wood
Product Line	EZ-Kill Quat Alcohol Cleaner Disinfectant Wipes
Brand Name	Clorox Healthcare
Manufacturer	THE CLOROX COMPANY
Product Type	Surface Wipe
Quantity	12

Clorox Healthcare EZ-Kill Wipes clean, disinfect and deodorize with a low-odor formula. These one-step cleaning and disinfecting wipes are EPA-registered to kill the most common pathogens in healthcare, including MRSA, VRE, Influenza, TB, HBV, HCV and HIV-1 in 2 minutes on hard, non-porous surfaces when used as directed. Each wipe is formulated with a neutral pH alcohol quaternary ammonium formula optimized for broad surface compatibility and stays wet to meet contact times. The low residue formula is designed to leave surfaces looking clean after wiping. The self-threading loop on the lid enables no-hassle feed-through of the initial wipe. EZ-Kill Wipes are effective, efficient, and versatile for everyday cleaning and disinfecting of medical surfaces and equipment. **Intended for use in medical settings such as emergency rooms, physicians offices, long term care facilities and nurses stations.** Applicable Material: Acrylic; Ceramic; Chrome; Fiberglass; Glass; Metal; Plastic; Tile; Vinyl; Wood; Material(s): Non-Woven Fiber.

**MARCAL PAPER TOWELS-** Perforated

Paper Towel Roll

**PART NUMBER: MRC6709CS**

**CASE PRICE = \$20.40**

### **Product Details**

**15 rolls of 60 towels; 9"X11"**

Recycled paper towels are Green Seal certified and whitened without chemicals containing chlorine bleach.

They have no added dyes or fragrances. Hypoallergenic, quilted towels are virtually lint-free and offer super absorbency and softness.

Perforations allow easy tearing of the 60-sheet rolls. Individually wrapped rolls allow flexibility in cleanup and less waste while providing sanitary storage.
