

Therapist – Jefferson County
Full Time- 1st shift
Supervisor- Amy Hoskins, LCSW

LifeSpring Health Systems is seeking a therapist for our Jefferson County office. This position requires a Master's degree in Social Work. Duties include assessments, treatment planning, individual and group therapy services and concurrent documentation of provided services in an electronic medical record. Therapists work with a variety of client diagnoses and age groups; experience working with substance abuse and/or dual diagnosis is particularly desired. If interested, please contact Amy Hoskins or HR.
