Indianapolis Field Office – October 12, 2017, 1:00 PM – 3:00 PM EST

WHAT IS IT?

Sharpening Your CoC Program Skills is an interactive, virtual Training and Question and Answer session about the Continuum of Care (CoC) Program. Participants will be able to access this training using their own personal computers.

The 2-hour online session focuses on discussing and answering common CoC Program questions about Coordinated Entry, Prioritization Notice, HMIS and Data Quality Standards and other program issues. The session is most relevant to those agency staff directly involved with the administration and day-to-day operation of the grant, the financial staff, and those who help develop reports and program policies.
