

Subject: Urgent: Please Vote "No" on Imposing Term Limits for County Commissioners

Dear [Legislator's Name],

I hope this email finds you well. I am writing to urge you to vote NO on the proposed legislation to impose term limits on county commissioners. While I understand the well intent behind this proposal, I do not believe a one-size-fits all approach is the best solution for Florida's 67 counties as they all vary widely.

Florida's counties are incredibly diverse, each with its own set of challenges, priorities and demographics. For example, Miami-Dade County is 17,000 percent larger than Union County varying in terms of size, population, and economic needs. By proposing a top-down approach from Tallahassee we fail to recognize the diverse perspectives of our constituents.

While I understand American's frustration with Washington, we should not replicate the mistakes of our federal government with their "Washington-knows-best" attitude. It is our duty to uphold the rights of Floridian voters and their ability to choose their local leaders. Let's reaffirm our confidence in democracy by rejecting term limits on county commissioners.

Thank you for your attention to this matter, and I look forward to working with you on this legislation.

Sincerely,
