January 23, 2022

To those who break clays, their friends and neighbors, and those who love them (usually), **STPRA** is a South Texas landowner based 501(c)(3) organization that prides itself in protecting the private property rights given to every citizen by both the US and Texas constitutions. As such, our board of directors has chosen to focus the association's efforts on ten key areas directly linked to the right to peacefully hold and keep property: 1) Eminent Domain, 2) Landowner Liability, 3) Taxation, 4) Human and Animal Health, 5) Border Security and Immigration Reform, 6) Landowner Compensation, 7) Prescribed Burning, 8) Transportation, 9) Water Regulation and Conservation, and 10) the Endangered Species Act. Working in these ten areas, **South Texans' Property Rights Association** has consistently been able to affect positive change on behalf of not only our members, but all Texas property owners.

For over 17 years now, **South Texans' Property Rights Association** has been at the forefront of efforts to call attention to the natural beauty, prolific productivity, and unique needs of our region of the state. **STPRA's** efforts on behalf of South Texas landowners is well known. Every year, our staff, leadership and volunteers traverse the 50,000+ square miles that make up this "corner" of Texas countless times, racking up thousands of vehicle miles in the process. Every "odd" year, like this one, **STPRA** staff and leadership devote hundreds of hours at our Texas Capital to protect and promote the interests of our membership.

For all the desire we might have to make a difference, without the generous input and support of our members and the financial generosity of past and present donors, we would be on a very short leash. To meet our financial goals each year, we have been able to rely on our Annual Meeting and Fundraiser which has been enjoyed by thousands over the years and has allowed us to grow to where we are today. Because of our past successes, our board feels that there is more that we can do. To that end, we are asking each of you to help. Not just to give more money, although that is always welcome and will go to great use, but to join us and your South Texas neighbors for food, fun, and fellowship while we work to meet the increasing financial needs of a growing organization!

The **STPRA** board, executive committee, and staff would like to invite you to our 1st Annual Sporting Clays Fundraiser at the El Dorado Sporting Clays Facility in Linn-San Manuel, Texas on April 15, 2023.

We have five (5) sponsorship levels available. Our event flyer is attached for further information. Volunteers for the event will be greatly appreciated, with lunch provided in return for your help. The **STPRA** is a 501(c)(3) organization, tax number is provided on the registration form. Please contact **Sarah Jones at 361-537-7037** for sponsorships, further information, or if you are interested in being a volunteer for this event.

Let's have some FUN and may you see **"Nothin' But Dust"**.

Sincerely,

Sarah Jones, Membership Director
