Regatta "Poker Run"

Join in the fun during the afternoon with a poker run around the lake and Campbell Point Marina area. This is an on-water event and is NOT a race.

When you check in, you will receive an information sheet overviewing the route and rules of participation. Once you collect all 5 cards, turn in your poker hand back into the check-in, or text a photo to the number on the information sheet.

The top scoring teams by 4:00PM will be contacted and prizes will be issued.

Prizes include Cobalt Wine, Towels, Jackets and More!

Note:

Due to COVID-19 and high-water, we are unable to host an onshore gathering or "official" raft up this year. We encourage attendees to explore beautiful Table Rock Lake and nearby marinas. We are proud to honor the Cobalt Legacy and carry on the tradition of this event on Table Rock Lake.
