

PORT HOUSTON™

Introducing: **Opportunity**

Business Equity at Port Houston

Port Houston is committed to supplier diversity and inclusion. Our NEW Business Equity Division provides resources to small, minority- and woman-owned businesses seeking to grow and participate in Port Houston procurements.

How you benefit:

- Connect with other local business owners and expand your network
- Learn more about government procurements and application process
- Access our mentorship program
- Take advantage of industry-specific programming and training opportunities.
- Access Port Houston procurement opportunities
- Leverage your certification(s) with our partner agencies

Together, we succeed.

“ For Nation Waste, Inc. being recognized as a Port Houston S/MWBE means companies can depend on us and know we are reliable. Port of Houston's support helps us move in the right direction toward new success and more business. ”
