Description

World Cup Treasure Hunt

Treasure Hunt (20 mins)

- HAVE 2 GROUPS OF 4 - CREATE TEAMS FROM WORLD CUP COUNTRIES
- Split players into two teams and place them in opposite corners of the playing field
- Scatter all balls on the field in random spots
- On the coaches call game starts with one player from each team at a time to take turn
- Aim is to collect one ball from the playing field and dribble it/shoot it in the goal on their side
- Once they placed ball in the goal, they high five next team mate
- Next player takes their turn
- Game ends when all balls from the field are collected
- Team with most balls wins

Progression

- Coach to be defender - TEAM BRAZIL to challenge players while dribbling (if shark steals the ball, player who lost possession goes to the back of the line)

Coaching Points

- Team work (communication and encouragement)
- Small touches on the ball
- Change of direction and speed
- Scanning (dribbling in free space)
