Thank you for your interest in serving as an incredABLE Ambassador. Together, we can Do Something incredABLE, and Celebrate the ABLE in All of Us!

• What is incredABLE Day?

HMEA launched its first 5k event in 2001 as a way to **bring together the community we support and work with, to celebrate the ABLE in all of us**. The event is now **HMEA's biggest fundraiser of the year** and aims to bring attention to the important role of HMEA as a nonprofit community disability services agency. Twenty years later, the event remains a **highly-anticipated annual tradition for the thousands of children, adults, and families impacted by intellectual and/or developmental disabilities, including autism, who depend on HMEA's services**.

In typical years, the event is attended by more than 2,500 people, including many of our dedicated staff who volunteer their time to ensuring a successful event day. incredABLE Day also **brings together caring, compassionate, and enthusiastic members of our community – like you! – to advocate on behalf of our workforce and the people we support**. Since this year's incredABLE Day will be a virtual event, including a wide variety of associated events and activities, the role of an incredABLE Day volunteer has also undergone a transformation! **Volunteers for this virtual fundraiser are now known as incredABLE Ambassadors!**

• Who is an incredABLE Ambassador?

An incredABLE Ambassador is someone who:

- Cares about, relates to, and wants to support the mission and vision of HMEA
- Recognizes the value of sharing information about the services offered by HMEA, as well as incredABLE fundraising opportunities, throughout their social media networks
- Wants to Do Something incredABLE!

• What is an incredABLE Ambassador?

An incredABLE Ambassador is a virtual volunteer! This is **someone who spreads accurate incredABLE Day information and resources with their social media, personal, and professional communities and encourages others to get involved with incredABLE Day** and the many fundraising opportunities available leading up to it!

incredABLE Ambassadors are critical links between HMEA and the greater community of people interested in supporting our mission and work. The success of this event depends on continued efforts to expand our reach beyond our typical audience and to encourage new, lasting, and meaningful relationships with community members. As an incredABLE Ambassador, you help celebrate the ABLE in all of us!

• When should I be an incredABLE Ambassador?

The amount of time you choose to dedicate to your incredABLE Ambassador role is entirely up to you! During the months of April and May, making or engaging with at least one incredABLE post per week is recommended. Many of the suggested actions involve simply copying and pasting informational text and making a social media post, while other actions can potentially be more time-intensive.

When you choose to take an incredABLE Ambassador action is also up to you. Fit these actions into your schedule when it works for you!

Anyone requesting written record of volunteer service hours is asked to keep track of the time spent and type of activity and submit information to sshepherd@hmea.org by or before June 1, 2021.

• Where should I be an incredABLE Ambassador?

If you don't already interact with HMEA on social media, **click the links below and be sure to "like" and "follow" for the latest information, plus access to easy, sharable posts!**

Sharing information and resources with social media and virtual contacts provides the broadest exposure to your community. It is recommended that you share information in the "Suggested Actions" section to your social media pages. Information can also be shared with your email contacts.

Of course, nothing can replace a phone call to a friend, family member, or coworker, where you share information about incredABLE Day, why you've decided to get involved, and how they can, too! **The fundamental role of the incredABLE Ambassador is to share information with people who might otherwise not be aware of HMEA, incredABLE Day, or your inspirational involvement.**

• Why should I be an incredABLE Ambassador?

HMEA was founded in 1961 to address increasing concerns about the state of institutionalization for people with intellectual and developmental disabilities. Today, **our mission is to teach, support, and empower people with disabilities, and their families, to live meaningful lives of their choice. Our vision is a world where individual differences are appreciated and celebrated and where everyone contributes.** We uphold this mission and vision as **we support more than 5,000 children, adults, and families throughout Massachusetts and Rhode Island, providing lifespan services to people of all abilities, as they reach for independence.**

IncredABLE Day is HMEA's largest fundraising effort of the year. **Proceeds raised for this event are returned to our programs – including 24/7 Residential, Day Habilitation and Employment, Children's, Clinical and Medical, and Applied Behavioral Health services – to ensure the continued provision of these invaluable services and the ongoing pursuit of our mission.**

Your actions, your involvement, and your willingness to Do Something incredABLE by serving as an incredABLE Ambassador is so important! **Help us get the word out and let others know about the fun, interesting, and useful ways they can get involved!**
