

# MEDICAL DENTAL BUS MINISTRY

SATURDAY, APRIL 29TH, 9AM TO 3PM

201 Culbreth Road, Chapel Hill

## Dental Professionals - Assistants, Hygienists, Dentists Needed

HillSong is hosting the NC Baptists on Mission Medical/Dental Bus on Saturday, April 29, 2017. In order to provide free dental services to the underserved in our community, we need at least 2 dentists and 2 dental hygienists to volunteer their services. Will you consider donating your time and skill? As of this date, we have one dentist and one dental hygienist for the afternoon period. Dentists and hygienists receive continuing education credit for their services. The clinic hours will be 9am to 3pm. You may choose to volunteer for either the morning or afternoon shift or both.

The mobile dental unit is a fully equipped unit with two exam rooms, instruments and supplies for extractions, amalgam filling and composites. It has X-ray equipment and autoclaves. We will provide appropriate personnel to operate the latter. Dentists need only bring their prescription pads. Registered nurses will screen patients for their blood pressure data prior to treatments. Lunch will also be provided.

Please consider this opportunity to serve North Carolina's less privileged population.
