

A close-up photograph of a person's hands holding a small, young pine tree. The tree has a thin, reddish-brown trunk and vibrant green needles. The roots are wrapped in a thick layer of dark, rich soil. The person's hands are visible at the bottom, with some soil on their fingers. The background is dark and out of focus, showing what appears to be a forest floor or a construction site with some debris.

WE ARE  
ALL ABOUT.**

DOMAN

OUR STRENGTH LIES IN OUR ABILITY  
TO **STREAMLINE THE SUPPLY  
OF HIGH-QUALITY BUILDING**  
MATERIALS THROUGH OUR VERTICAL  
OPERATIONAL MODEL.

**A vertical model...**

in which responsiveness helps retailers thrive  
in a rapidly changing market.

in which knowledge contributes to their growth  
and success.

in which collaboration transcends conventions  
to optimize their procurement strategies.

A man in a red and blue plaid shirt, a bright yellow safety vest, and blue work pants is pushing a blue pallet jack. He is in a large industrial warehouse filled with stacks of lumber. The text "BUILDING A STRONGER SUPPLY CHAINS. TOGETHER." is overlaid in large, bold, white capital letters across the center of the image.

**BUILDING  
A STRONGER  
SUPPLY  
CHAINS.  
TOGETHER.**

## **Responsiveness**

At Doman, our commitment to responsiveness is an integral part of our core values. Our just-in-time distribution strategy, backed by our extensive inventory, not only improves the operational efficiency of retailers but also reduces excess retail inventory, optimizing cost-effectiveness and responsiveness within their supply chains. This ensures that their customers have access to what they need exactly when they need it.

## **Knowledge**

Our expertise in lumber and extensive product knowledge enable us to pinpoint emerging trends and innovations. By doing so, we empower retailers to stay ahead of the curve, ensuring they can efficiently distribute and strategically market the next generation of products. We take pride in not only understanding current market demands but also anticipating and facilitating both immediate customer satisfaction and sustained growth for our clients.

## **Collaboration**

We go to great lengths to increase our clients' competitiveness by collaborating closely with them to optimize their procurement strategies, transforming them into their ultimate competitive advantage. We work on both national and local levels to identify and implement solutions that effectively tackle their unique supply challenges, ensuring the timely delivery of their products. Our dedicated resources facilitate continuous communication with buyers and retailers to push the boundaries of what is possible to fulfill their requirements, be it in inventory management, marketing initiatives, or sales force training.

A close-up, low-key photograph of a person's hand holding a clump of dark, rich soil. A small, vibrant green plant with thin, needle-like leaves is growing out of the soil. The person is wearing a dark, textured sweater. The background is dark and out of focus, suggesting an outdoor setting at dusk or dawn. The overall mood is contemplative and focused on nature.
