ST. FRANCIS XAVIER

A Jesuit Elementary School | Preschool-8th Grade

**Summer Reading:**

This summer, all students were given a poster with a variety of activities recommended to complete. We are asking the students to read and practice their math skills, and we have also included many fun activities suited for any age student. Every time the student completes an assignment they should write the date completed on the poster. The students should return the completed poster to their homeroom teacher on August 11th, and those who do will earn a pizza party with Mr. Watson. This will serve as the only summer work assigned by the school. We hope you have fun accomplishing these tasks!
