

Math Team - Awards Spring 2025

This spring, 31 students from the St. Francis Xavier Math Team joined more than 41,000 students nationwide in the Noetic Learning Math Contest—a competition designed to challenge and inspire young mathematicians.

We are proud to share that one of our students earned a spot on the **National Honor Roll** (top 10% of test takers), and **11 students received National Honorable Mention** (top 50%).
