

AGENTS YOU CAN TRUST FOR INDIVIDUAL HEALTH COVERAGE

We understand each individual or family has unique needs. Our goal is to proactively educate you on your options and provide the most complete, cost-effective health plan that meets your needs.

Guidance and Support

- **Personalized Needs Assessment** – A thorough analysis of your health insurance needs, helping you compare costs, coverage levels and network options
- **Expert Market Navigation** – We simplify complex terms and explain the nuances of different insurance carriers and health plans
- **Enrollment Assistance** – Seamless, efficient process using our proven technology platform for applications
- **Ongoing Support and Advocacy** – Provide year-round support with client issues, as well as reviewing your policy at renewal time

Areas of Expertise

- Individual Health
- Hospital Indemnity
- Short Term Coverage
- Dental, Vision, Hearing plans
- International Travel Insurance

Insurance is complicated, constantly changing, and difficult to understand.

**We help eliminate the fear, confusion and frustration
that comes with the process of selecting the right health plan.**

Why Choose HUB:

- **Access to Industry Experts with over 60 years of combined experience and deep knowledge of the individual health insurance landscape**
- **Agents Licensed across the Continental US**
- **Proactive Support during Enrollment and Annual Renewals, at no cost to you!**
