They run back, open it up, and place it on their next team member, who will then run to the "Band-Aid line," get another Band-Aid, and run back to place it on the next team member. Continue until everyone has a Band-Aid, including the first runner. Talk about who needs a doctor and who needs Jesus, too! (Dollar stores have inexpensive bandages).</p> <p>FIRST AID SUPPLIES: Blindfold players and have them reach into a bag of first aid supplies and hand that item to someone else who is blindfolded. See if they can describe and guess what the item is.</p>
