## WHITNEY CHANDLER

Dean of Curriculum and Instruction  
[wchandler@livingrockacademy.com](mailto:wchandler@livingrockacademy.com)

It is the philosophy and purpose of Living Rock Academy to provide a Bible-based, Christ-centered, and academically challenging

Pre-K through 12th grade educational experience through the application of diverse and research-based curriculum. Small classes, creative teaching, and authentic learning coupled with technological integration, fosters an applied process of learning. As Dean of Curriculum and Instruction, it is my desire to discover unique aptitudes and awaken the intellectual curiosity of every learner at LRA.

## MELANIE RAPOSO

Dean of Academic Programs  
[mraposo@livingrockacademy.com](mailto:mraposo@livingrockacademy.com)

Living Rock Academy's pursuit of academic excellence through innovative and Christ-centered education is the bedrock of our

Academic Program. As Academic Dean, my primary responsibility is to promote the successful academic development of all LRA learners. Learners are exposed to innovative classroom strategies, highly qualified teachers, and a diverse research-based curriculum. Academic methods utilized by our faculty consist of, but are not limited to: collaborative learning, benchmarking, team-teaching, authentic and traditional assessments, and differentiated instruction. Programs such as college and career planning, academic support, and responsive services are all structured to meet the needs of the individual learner.

## Linda Swierc

Dean of Activities  
[lswierc@livingrockacademy.com](mailto:lswierc@livingrockacademy.com)

At Living Rock Academy, student life is a vital and integral part of our school. Students at LRA are afforded the opportunity to

participate in a variety of extra-curricular activities to include: National Honor Society, HS and MS student government, cross-curricular projects and field trips, field-day, spirit week/days, and community outreach. Out of the many extra-curricular activities offered at LRA, three programs are the pillars of LRA's Student activity life. Community outreach, cross-curricular field trips, and our Bobcat Buddy mentor program.

Students actively serve the immediate and surrounding areas through community service and outreach on a weekly basis. All LRA students, from Pre-K to high school, have the opportunity to serve others and spread the Gospel through helping others. Through service to others, students learn and understand their identity as servants of the Lord.

The Cross-curricular program is a formative process that actively engages students in dynamic learning topics and themes stretched over multiple classes and curriculum. Students are engaged through collaborative learning and integrated lesson plans that encourage creative and critical thinking. Additionally, high school students are provided the opportunity to travel out of state and abroad, allowing students to make real-life connections that increase engagement in the learning process. "See it. Touch it. Live it."

The LRA Bobcat buddy program exists to foster Christ-like unity within the LRA school community. Students are grouped with mixed grade levels. Groups sit and worship together in weekly chapel and participate in school-wide special events, such as but not limited to, National Day of Prayer, theme-based reading events, and field trips. Students are encouraged to actively pray for and with each other.

Secondary students have the ability to serve the LRA school community with National Honor Society, HS Senate and MS House of Representatives. These programs foster student leadership in all aspects of student life.
