End-of-Year Cross-Curricular Fee (HS only): There will be a \$250.00 fee billed to each child's account to cover the costs of our end-of-the-year cross-curricular field trip. Information and details regarding these trips will be communicated to families prior to their accounts being billed.

Art (All grades): There will be a \$25.00 fee charged to each student taking an art class. This fee will be billed to each student's account at the beginning of each semester.

MS/HS Camp Fee (MS and HS): There will be a \$150.00 fee billed to each child's account to cover the costs associated with MS/HS camp. This fee will be charged at the time of the camp in the fall semester. Additional information regarding the camp will be communicated to families prior to that event.

Senior Camp Fee (Seniors only): There will be a \$200.00 fee billed to each senior's account to cover the costs associated with senior camp. This fee will be charged at the time of the camp in the fall semester. Additional information regarding the camp will be communicated to families prior to that event. This is the only fee charged to seniors for camp, as they are not charged the MS/HS camp fee.

Graduation Fee (Seniors only): There will be a \$150.00 fee billed to each senior's account to cover the costs associated with senior graduation. This fee will be charged in the billing cycle immediately prior to the date of senior graduation. This fee covers not only the cost of the event itself, but also the cost of each senior's cap, gown, tassel, and diploma.

Advanced Class Fee: Classes such as 4-H, Flight Training, Art Appreciation, and others may be assessed a fee. These fees will be set and communicated to families prior to the beginning of such class or program.

Athletic Fee: \$100.00-\$250.00 depending on sport. Fees will be billed once the student begins the season.

iPads (MH & HS): Required for all MS and HS students and MUST be provided by the parent.

Senior Trip Fee: All HS students will have a senior trip fee of \$25.00 added to their account each month (starting freshman year) to go toward the transportation, housing, and meal cost of their senior trip. The fee is refundable for any student who transfers out of LRA in good standing prior to the start of their senior year. Students enrolling at LRA after their freshman year will pay any remaining balance prior to the trip. Additional selected activities while on the trip must be paid for by student.

FINANCIAL AID:

A limited amount of financial aid may be available and is issued on a case-by-case, grade-by-grade, class-by-class basis. Financial aid is also determined on a yearly basis and can change dramatically from year to year based on fund availability. Families should never assume that the same amount of financial aid will be available from year to year. Applications for financial aid are handled through FACTS, a third-party assessment program.

LEGACY FUND PLEDGE PROGRAM:

This pledge allows our individual families the opportunity to make a voluntary pledge for an additional amount applied to their tuition plan for next year. Whether you pay monthly, by semester, or for the whole year at one time, you can pledge to add either a set amount or a certain percentage to each payment. There are major benefits to both the school and our families for taking this approach:

1. For our families, it means 100% of the pledge amount (amount beyond tuition) is a donation to the Legacy Fund and is tax deductible.
2. For the school, this means a more consistent revenue source which helps greatly in budgeting.

Families who are able to help in this manner can make their pledge commitment selection in their re-enrollment packet.
