To Members and Guests of Christ Lutheran:

At the annual meeting, the congregation of Christ Lutheran Church voted to cease worship at our Christ South campus.

In case you missed it, the annual meeting on January 29th was one of the largest we've seen, and one of the most emotional. No matter how one voted, it was a sad moment for everyone. These emotions are proof of our love for Christ and His mission. Proof of the real connection found among the body of Christ at South. Proof that souls were impacted by the community.

For the well being of the people of God, we hope and pray that there will be a continuation of the relationships forged from our mission at South. That the people, groups and ministries continue on for Christ's sake. Because, while we will no longer be a worshiping community, we are still Jesus' hands and feet.

For now, we will focus on loving on those who called South home. We'll praise the Lord for the memories and movement of Christ through the relationships formed. **Our final worship service will be on February 12th at 10:00 a.m. at Polo Ridge Elementary.** We will gather in celebration of six years of worship, faith building, fellowship and community! After the 12th, we will still worship our LORD at the Providence, Concord and Online locations. And we will still go, and make disciples of all nations.

I am confident that God is not done with Christ Lutheran yet. We don't call this a failure. New people came to faith and a daring new vision was cast to multiply the vitality of a larger church. While the timing of several things proved to be a struggle, we will continue to dream big and venture boldly on new ways to expand the Kingdom of God.

**In Christ,
Pastor Scott & Pastor Ryan**
