ABOUT THE CAMPS

GENERAL INFO:

StoneBridge Drama is StoneBridge School's theatre program. The program has hosted summer theatre camps for the past ten summers, and is thrilled to offer these camps in the summer of 2021! Whether a camper is a beginner or an experienced performer, our camps are a great place for personalized training and experience!

Campers learn about the performing arts and develop their talents in a family-friendly, Christ-honoring atmosphere. Unlike most theatre camps, our camps are designed to be more performer-focused, rather than performance-focused.

MUSICAL THEATRE CAMPS:

The June Musical Theatre Intensive Camp is a 1-week version of our traditional Musical Theatre Camps from previous summers. Campers are trained in acting, singing, and dancing, working toward a showcase performance for friends and family! All campers perform in at least one large group number, and have an opportunity to perform a solo or smaller group number that will be hand-picked to challenge and grow their talents. All levels are welcome, and auditions (for those who would like to be considered for a feature/solo number) will be held on Saturday, June 19th.

Then in July we're doing something new and exciting! The 2020-2021 school year presented us with many challenges, and we were not able to do our usual spring musical. To honor our students - especially high schoolers - we are thrilled to present *Shrek the Musical, Jr.* this summer! Over the course of 3 weeks, campers will be trained in acting, singing, and dancing, while preparing this super fun, shortened version of the hit Broadway musical *Shrek*!

ACTING CAMPS:

Acting is a core element of theatre. In our musical theatre camps, we don't get to spend a lot of time on acting. These camps are 1-week intensives, during which campers will develop their acting skills while preparing a 30-60 minute play (length determined by enrollment). The first (Acting 1) is designed for all experience levels, and will present a comedy. The second (Acting 2) is designed for older actors with some previous experience, and will present a drama.

PERFORMANCES:

Unlike most theatre camps, we *do not* charge admission for any of our performances. We perform in an intimate space to limit technical elements and to keep the focus on the talents of our young performers. Final performances for all of our camps are FREE, private shows for friends and family members! Seats must be reserved in advance. (Capacity limits and COVID considerations TBD by StoneBridge School.)

SCREENWRITING CAMP:

Our Screenwriting Camp is a great place for rising high school students to stretch their creative writing muscles! Campers will learn about creative writing, and specifically how to create film scripts. By the end of camp, they each will have at least one completed short film screenplay, which may be used in next year's student film festival! This camp is offered as an honors credit to 9th-12th grade StoneBridge students who proceed to participate in the Fall 2021 Film class.

COVID CONSIDERATIONS:

Living in a pandemic has presented us with a lot of unknowns and challenges. We know that there are a lot of opinions and concerns on the matter. We are eager to have "normal" camps! But, we also want to be respectful of protecting everyone's safety. Our camps fall under the umbrella of StoneBridge School, and must follow the regulations and requirements of the school, which can be subject to change. While we anticipate school regulations to lighten for this summer, currently masks and distancing are required, and we (and many other groups) have prepared shows with these regulations...it can be done! But we also realize and respect that this may be a game-changer for some. Please use the registration form to let us know what you would be comfortable with. We cannot change the school's expectations for us to be able to hold camp. But this will help us understand and respect where you stand commitment-wise. If the regulations we are asked to follow are something you indicate on the form that you are not comfortable with, we will not hold you to a camp commitment. Although we may not be able to offer camps that meet everyone's expectations, please know that we respect whatever your comfort-level or opinion is on the matter.
