

“Answering the Call to Serve”

Dear Parents,

StoneBridge School invites you to attend ***Liberty Day on Monday, February 18, at 8:45 a.m.***, our school's unique tribute to the contributions of our United States military service members. This traditional ceremony honors StoneBridge family members who are retired or active duty military, reservist, or Veterans of Foreign Wars.

The highlight of this annual program is the candle lighting ceremony, in which students light a candle to commemorate the dedicated service of family members, both living and deceased. Armed Forces veterans, active duty and retired members are invited to participate in the ceremony with their students. We will present a pictorial slideshow of the men and women and honor them during the candle lighting ceremony.

First year StoneBridge families or families who have not participated in the past: To participate in the ceremony, please submit the enclosed form to the front desk **no later than Friday, February 1**. The forms can also be emailed to me at meredith.beesing@stonebridgeschool.com. Photographs of service members may also be submitted for the slideshow. Please enclose a return envelope so that photographs may be returned to the appropriate student.

All past participants are asked to confirm your child(ren)'s participation in the program each year. Please see the attached form and verify if all of the information is the same or if it requires updates. Please turn the form in at the front desk or to your child's teacher. You may also notify me by email at meredith.beesing@stonebridgeschool.com to verify participation in the ceremony, submit photo(s), and/or correct information on file.

This year's theme is "Answering the Call to Serve," commemorating the sacrifices that military service members make to protect our freedoms. StoneBridge School looks forward to honoring the men and women who protect our liberty.
