

The Rules and Regulations committee is seeking a volunteer to fill a current opening.

Committee members examine and discuss ongoing community issues from all perspectives. This is a good opportunity to be a part of the ongoing writing and revising of our community rules as new issues arise.

We meet on the third Wednesday of each month, and prospective committee members must attend two meetings before the committee can recommend them to the Board of Directors for membership. Final approval is at the discretion of the Board.

This is a great opportunity to work with a wonderful, dedicated group of people. If interested, please fill out a [Volunteer form](#) to voice interest in becoming a committee member. Please email to [diane.flores@sbhoa2.org](mailto:diane.flores@sbhoa2.org) or drop off at the Administration office.
