PRESERVE CLOSURE FOR AERIFICATION

The Preserve golf course will be closed July 10-30, 2023 for it's annual aerification. The driving range will be open for the bulk of the closure but will be closed periodically so the maintenance team can aerify the range tee and the range floor. The days of the range closure are yet to be determined. We thank all of our golfers in advance for your patience while we continue to improve turf health and conditions at The Preserve. The Golf Shop at The Preserve will be open throughout the entire closure.

MOUNTAINVIEW IS CLOSED – AND A CONSTRUCTION ZONE!!

Please remember that MountainView is now a construction zone for the next 6 months! This means there is no walking, cart driving, cutting through or sightseeing around the Golf Course or on the Cart Paths. This is to protect you from potential serious injury!! Staff will not be “on the lookout” for pedestrians or golf cars. We will constantly be updating on what is happening around the course. We want you to be safe and enjoy the course when it re-opens!

PUBLIC ADDRESS SYSTEM/GOLFER CHECK IN

THANK YOU to all of you who are now checking in to the Golf Shop.

Prior to COVID, all golfers checked in to the Golf Shop. This allows the Golf Team to know who is at either golf course. Effective June 1, 2023, golfers should plan to please check in at the Golf Shop counter with the staff. This includes Annuals and Punch Card Card holders.

We also will discontinue the use of the PA system to call golfers to the tee daily. The PA system will be used periodically for outside events or to send shotguns out on the course. Therefore, please plan to check in with the starter approximately 10 minutes prior to your tee time. The starter will be mobile and lead groups to the tee as well if they have not checked in with them.

Thank you for your cooperation and please reach out to the Golf Shop with any questions.

GOLF COURSE WALKING HOURS AT THE PRESERVE ONLY!!

BEFORE 7:00AM & AFTER 5:00PM

If you're walking during these hours, remember to yield to Golfers! Walkers **MUST** yield to golfers during any overlap times.

9-HOLE RATE POLICY – THIS POLICY IS ON HOLD FOR MORNING STARTING TIMES ONLY AT THE PRESERVE THIS SUMMER!!!

Recently, there has been some confusion on the 9-Hole Rate Policy. You can pay & play 9 Holes during the following times: a) the first hour of tee times off the **OPPOSITE NINE** of 18-hole play (if available), b) After 2:00pm (Twilight or Super Twilight starting times) and c) The Newest opportunity is 24 hours in advance – any starting time can become a 9-Hole Starting Time, if you have not been in that starting time previously.

If a 9 Hole Starting Time was booked outside of these 3 opportunities – the appropriate golf fee will be charged. **REMEMBER... The first few tee times in the morning on the BACK NINE are 9-HOLE ONLY TEE TIMES. (This has been suspended at The Preserve This summer!)** If you would like to play 18-holes in the morning, be sure you are booking a time to begin on the **FRONT NINE**.

DRESS CODE REMINDER

Golf attire is required at both courses. Please remember golf attire is required to utilize both golf courses and the practice facilities. A good guide is if you see a PGA TOUR or LPGA TOUR player wearing it, you can wear it on the HOA2 courses. ***As the weather gets cooler, please remember denim of any kind is not permissible on the golf courses.*** Thank you for your cooperation.

PACE OF PLAY TIPS

DEVELOP AN EYE FOR DISTANCE

If you need to determine precise distance, try to find a yardage marker before you reach your ball, then step off the yardage on the way to your ball. Or, consider investing in an electronic range-finder or GPS for golf and use it when permitted by Local Rule. If others you are playing with are not familiar with the course, the Rules permit players to exchange yardage information without penalty.

PRACTICE RANGE CLEAN PICKS

Range closes at 5:00pm Sundays & Thursdays. To give you the best experience on our Practice Facilities, we perform a Clean Pick on Sundays & Thursdays. ***We close the Practice Facilities at 5:00pm*** to make sure we have adequate time to pick the driving range. We thank you in advance for your assistance on not hitting balls after 5:00pm on Sunday & Thursday.
