

# COMMITTEE INFORMATION & UPCOMING MEETINGS

## HOA2 ARCHITECTURAL & LANDSCAPING COMMITTEE:

Contact Information: 520-879-4155 [askhoa2alc@sbhoa2.org](mailto:askhoa2alc@sbhoa2.org)

**VOLUNTEERS ARE NEEDED FOR THE ALC COMMITTEE** (Architectural & Landscaping Committee). Part-time and full-time are welcome to apply! The purpose of the Committee is to ensure SBHOA#2 homeowners meet the ALC Guidelines and CC&Rs for all initial landscaping, maintenance of landscaping, and plans for exterior modifications to lots and homes to maintain the aesthetic values of the community and the surrounding Sonoran Desert environment. Please **click here** to apply.

- **Please plan and submit your ALC permit application at least 2 weeks before needed.** Given all required information is provided on the application, the ALC's turn-around time on permits may be extended to 7 to 10 business days.
- **Pesky weeds!** Please use weed killer on existing weeds and pre-emergent control for those future weeds. Weeds in your yard must be eradicated whether you are here or not. Plan to have someone take care of weeds in your yard while you are on vacation.
- **ALC issuing permits:** with a few changes. [Click here for the Permit Application](#). Please allow 5 to 7 business days from the submission date for ALC Permits to be issued.
- **When filling out ALC Permit Applications, please fill them out completely, legibly, and print them.** Provide as much detail as possible, including photos, drawings, and notes. Failure to do so could slow the process and create extra calls from the ALC Volunteers when information is missing or not legible.
- **Dunn Edwards & Sherwin Williams Paint colors are available on our website.**  
[Click here for Dunn Edwards Paint Colors](#)  
[Click here for Sherwin Williams Paint Colors](#)
- **Contractor Evaluations:** [Click Here](#)
- **Thinking about installing backup power on your property?** Here is a link with great information on an alternative backup power source. **Click here** [www.solarreviews.com](http://www.solarreviews.com)

**SADDLEBROOKE PUBLIC AFFAIRS COMMISSION** is looking for another member. Please submit your resume via the Volunteer form below and return it to: [news@sbhoa2.org](mailto:news@sbhoa2.org).
