

Parents Helping Parents

Serving Families of Children with Special Needs

Let's meet online! For parents of children 12 and under

Join in with or without your kids,
and share the parenting journey
with others because... **it takes a
village!**

A PHP mom / family resource specialist
will read a story from our library that the
kids can listen to and then chat with YOU
about the joys and challenges of
parenting, and the resources available in
our community.

This month let's talk about FEELINGS.
Can your child identify and say how they
feel? How do you help them with this?
