27th Annual Parish Nurse and Congregational Health Ministries Conference

Dear Sisters and Brothers in Christ,

Welcome to our 27th annual conference! This year's event is based on Joshua 22:5, "To love the Lord your God, to walk in obedience to Him, to keep His commands, to hold fast to Him and serve Him with all your heart and with all your soul." Each of us has been called to a life of service. This requires us to give all that we have, using our time and gifts, our hearts, minds, and spirits, to serve others in our families, churches and communities.

On behalf of the university, I invite you to join this national gathering of nurses, pastors, lay ministers and others on the beautiful campus of Concordia University Wisconsin, to focus on your life of service and our heavenly Father's calling. Network with like-minded souls and share Christ-centered information and strategies to develop your ministry!

Finally, on behalf of the university, I would like to express our gratitude for all the support this conference has received over the years from the Lutheran Church Missouri Synod, this year celebrating 30 years of blessings to LCMS Parish Nursing and Congregational Health Ministries.

Your sister in Christ,

Carol Lueders Bolwerk, PhD, RN
