

# OUR CATHOLIC FAITH IN ACTION

our Welcome Committee members who will be assisting as we process to the grotto area, where the flowers will be placed in front of Mary's statue.

**Masks are required while processing and gathered close together** until we get to open spaces in the upper parking lot where then it's your choice.

The procession will begin in the church, led by the Knights of Columbus, Altar Servers and our Priests followed by all. We will proceed down to the Statue of Mary in the Grotto area where you may offer a flower or bouquet **and then continue on to the upper parking lot** where the rest of the festivities will take place, including the praying of the Rosary.

**Please keep the line moving and keep the grotto area cleared for the crowning by the children.** Do not linger there, but proceed to the upper parking lot. Video will be taken of the crowning and posted in our media communications later in the week for all to view. Visits to Mary can be made throughout the day for prayers and pictures by families individually.
