

In Case of Disaster:

Should disaster strike one church or several in our presbytery, there are resources a Session can call upon through the Presbytery. Here is how to access them:

1. Call the Associate for Mission at the presbytery office.
2. The Associate will walk you through available resources and assist you in making contacts with those resources.
 - a. Synod disaster funds of up to \$3,000 are often immediately available for significant flooding in the presbytery, fires or other large disasters and must be requested by the General Presbyter.
 - b. Presbyterian Disaster Assistance funds of up to \$3,000 are often immediately available for significant flooding in the presbytery, fires or other large disasters and must be requested by the General Presbyter. Access to more funds is available through a grant system. The Associate can assist you in that respect.
 - c. In the case of widespread disaster, the Presbytery may request that Presbyterian Disaster Assistance send in teams to help assess the situation and clarify the direction of our recovery plans. They also have pastoral care teams who are deployed as needed.
 - d. The Associate can assist you in contacting congregations near you to assist in your recovery.
 - e. Immediately contact your County Emergency Services Manager. See the attached listing of numbers by county.
3. The Associate for Mission functions as our representative at WV VOAD (WV Voluntary Organizations Active in Disaster). It is a table around which all agencies concerned with disaster response, recovery and preparation sit and share resources, problem solve and act as recovery agents. During the response and recovery phases, there are often daily phone calls to assist in the organization and sharing of resource and needs.
4. WVMAW (WV Mission of Advocacy and Workcamps) is our own Presbyterian arm of disaster recovery and poverty response. Joan Stewart and her team tirelessly work to combat poverty and assist in disaster recovery. They can also help in the event of individual disaster.
5. The Department of Homeland Security Emergency Management may be reached 24 hours a day at 304-558-5380.
6. The Red Cross specializes in immediate aid, shelter, food clothing and guidance. The emergency contact numbers by county are as follows:
