

Equipping Disciples Events Are Back – Sunday, January 22 and Sunday, January 29

The proposed **Revised Directory for Worship** will be the focus of these events taking place at several sites across the presbytery in late January.

At the February 25 meeting of the presbytery, Teaching Elders and Ruling Elder Commissioners will be voting on amendments from the 2016 General Assembly to revise the Directory for Worship in our Book of Order. These events will consider what a Directory for Worship is and look at proposed changes in this guide to our worship on Sunday mornings and beyond. Teaching Elders, Session members, Worship Committee members and others interested in the dynamics of Presbyterian worship are encouraged to attend one of these events. They will be held as follows, from 3-6 pm each time and place.

Sunday, January 22: First, Williamstown; Beverly Hills, Huntington; Edgewood, Lewisburg.

Sunday, January 29: Bridgeport; Westminster, Charleston.

There is no cost for these events, but registration is strongly encouraged. You will find more information and a registration form at www.wvpresbytery.org.
