

## *My Soul Magnifies the Lord*

How will your soul magnify the Lord this Advent season? *Presbyterians Today* has produced an Advent devotional based on Mary's Song of Praise from the Gospel of Luke. Each day in the four weeks of Advent highlights a line from the Magnificat as well as from other appropriate scriptures. The two lines of scripture are followed by a very short meditation or poem, then a question to think about. Each day's meditation ends with a prayer. These devotions are so short that they could be copied or cut out to be carried to contemplate throughout your day.

In addition to the daily readings, the devotions includes art by Andrew Weatherly, who also wrote the poems used throughout the devotional. Andrew was born with Down syndrome and uses his art to raise awareness of the capabilities of those with special needs. The other meditations are written by Donna Frischknecht Jackson and Krin Van Tatenhove.
