

Youth Day of Service – Mission Possible

A Day of Service around the Presbytery for youth in grades 6-12 and their adult advisors.
FEBRUARY 4, 2017, 10 am – 4 pm.

Youth across the presbytery are encouraged to join together in a variety of mission projects during SOUPER BOWL weekend; these events will take place at three different sites – First Presbyterian Church, Clarksburg; Old Stone Presbyterian Church, Lewisburg; and South Park Presbyterian Church, Charleston. Though divided by distance, the day at all three sites will begin with the same time of community building and opening gathering, and all will use the same format to conclude the day. Projects will vary but all will be focused on helping those in need in their area.

There is no cost for the day, although all participants are asked to bring a brown bag lunch, including drink. The registration deadline is Thursday, January 19, in order to enable planners to have the appropriate number of work sites available. Complete information, including registration forms, have been sent to church leaders.
