Special Worship Service

Sunday, April 28th at 10 am

Teays Valley Presbyterian Church is planning a special Worship Service **“Understanding Addiction with Hope and Grace”** on Sunday, April 28 at 10:00 am.

There will be special guests who are in recovery from substance abuse, along with service providers and resources for those seeking information about recovery. Our goal is to increase awareness and understanding about substance abuse and recovery within our congregation and the community. First, we are educating, and then with our knowledge and loving hearts, we will consider how we can help with this problem in our community.

Please join us at 5339 Teays Valley Rd. in Scott Depot!
