

The Shack Celebrates Its 90th Birthday

By Rebecca Mihm, Fleming Memorial pastor and Mission Committee member

The Presbytery of West Virginia supports The Shack in Monongalia County. The Shack celebrated its 90th birthday on November 17th with all kinds of festivities, including dinner, stories, a band, displays, raffles, fun tables, and more. All proceeds from the event will go to updating The Shack's facilities. The Shack's mission is to provide an inclusive, safe, and fun environment for learning and recreation. Programs strengthen families by nurturing children, youth, and community members of all ages in Monongalia County and the surrounding areas. Some of the programs at the Shack include playgroup, respite, tutoring, home repair, aquatics, Junior Volunteers (JV) program, and summer camp.

The celebration included stories of folks whose lives have been positively affected by the ministry of The Shack. There were personal testimony videos of how The Shack has encouraged and supported people in the community. Alumni were also present, working the different tables, answering questions, and supporting the organization.
