

Presbytery of West Virginia's Nurture's Committee Leadership Development Coordinating Team Presents:

## A Virtual Expanding Your Ministry Toolbox Course

# "Becoming an Intergenerational Church"

with

Stephanie Fritz

Saturday, November 7

This will be held on Zoom

9 a.m. - 4 p.m.

**Course Description:** Join us for a day to explore what it means to be an engaged intergenerational community of faith. This is an invitation to explore how we can engage all generations in our churches and to build a foundation that invites those generations that may not be amongst us. This isn't another program or curriculum to implement, rather a fresh way to look at the abundance your community already has. Expect to come away with a toolbox of resources and a foundational understanding of intergenerational concepts.

**Leader:** Stephanie Fritz is the Associate Coordinator for Christian Formation at the Presbyterian Mission Agency. Stephanie served for over a decade in Denver area churches in a variety of faith formation and mission ministries as a Christian Educator. She currently serves in Louisville as the Associate Coordinator for Christian Formation, where intergenerational ministries is a priority of the office.

Registration deadline: Thursday, October 22, 2020. Cost: **\$15**, due with registration

Register online and pay with Paypal [here](#), or complete the information below and return it with payment to: Presbytery of WV, attn: Susan Sharp Campbell, 520 Second Avenue, South Charleston, WV 25303.
