

# 2021 Presbyterian Women of The Synod of the Trinity Mission Project

Crude roads turn a quick trip into a day's journey to the remote prisons in Malawi. Desperate inmates yearn for the arrival of Chaplain Rev. Stanley Chimesya who travels to each of 8 prisons bringing the Gospel and life saving supplies to these poor, forgotten children of God. Visits are precious and rare with no vehicle at hand, but Rev. Chimesya continues to respond to God's call. A small truck will bring the hope and light of Jesus, as well as food, water, and essential support to these inmates and their families.

Then the master said to the servant.

**" Go out into the highways and hedges, and compel them to come in. That my house may be filled."**

It is 229 km from Domasi Prison to Mangochi Prison.
