

TOTAL SOLAR ECLIPSE TIPS

April 8, 2024

Help educate your family & friends on the potential impact of the expected number of visitors coming to our community/county!

1. Safety First

- Viewing glasses ISO 12312-2 - no longer than 3 years old.
- If you are a business owner, consider closing April 8
- Do not plan to travel April 5 – April 10
- Consider posting “No Trespassing” signs on rural property.
- If you plan to rent space on your property for viewing, have adequate signage and insurance.

2. Be Prepared:

- Stock up on essential items at least a week in advance.
 - Toilet Paper
 - Groceries
 - Water
 - Batteries
 - Gasoline/Charge for vehicles
 - Prescriptive Drugs
- Emergency Contacts
 - List of phone land line numbers
 - Be aware that the police & Fire/EMTs will be triaging calls/incidents.

3. Plan Ahead

- Reschedule appointments made for April 5 – April 10
- Be aware of the weather forecast for April 8
- Be aware that wait times for restaurants, deliveries & retail will increase.

4. Communicate!

- Let family members know of your plans for the eclipse event.
- Touch base with home-bound neighbors & friends.
- Let your children’s teachers know if you plan to keep them home on April 8th.
- Distribute informational flyers & post signage at your churches & organization meetings.
