

**DIVEHEART**

**10<sup>th</sup> Annual**

**INTERNATIONAL  
ADAPTIVE SCUBA  
SYMPOSIUM**

**MAY 10, 2019**

**9 A.M – 1 P.M.**

**HOTEL COZUMEL  
& RESORT  
COZUMEL MEXICO**

Cozumel Mexico is the backdrop for Diveheart's tenth international adaptive scuba symposium. If you are interested in finding out more about the benefits of zero gravity and scuba therapy, as well as the latest in adaptive scuba training, techniques and equipment, you won't want to miss this year's symposium. Whether you're a scuba instructor, adaptive diver, dive shop owner, researcher, therapist or recreational diver, you will want to learn more about the current state and the future of adaptive scuba, scuba therapy and the latest scuba therapy research. Register to join us today...

---

See speakers from...

major medical and hyperbaric institutions; international manufacturer of adaptive equipment & local dive providers

---
