

# The Story of the Czech Scrolls: WW2 to the diaspora

Please join us in welcoming Lois Roman a Trustee of the Memorial Scrolls Trust (MST), who serves as the US Representative based on the East Coast. Come hear the amazing story of how such a large hoard of artifacts were hidden in plain sight and started a Second Life around the world. The Memorial Scrolls Trust collection of 1,564 Czech scrolls that survived the Shoah stands as a tribute to the lost Jewish communities in Central Europe. Lois will provide special focus and details regarding Emanuel's Holocaust scroll.
