

## Join a Committee at St. Luke's!

The child sat quietly under the tree in a patch of sunlight enjoying the gentle breeze and daydreaming. Not of unicorns or of wizards vanquishing dragons, not of great treasure or even sweets, but of how to do something special, something truly worthwhile and it sprang to mind, "A Committee! Someday I want to serve on a Committee!" Well, if it doesn't happen that way, it should.

If you are interested in being part of the core of the church and helping to make it most effective, we are seeking parishioners willing to serve limited terms on the following committees:

**Personnel Committee:** The Personnel Committee is tasked with developing a personnel handbook and job descriptions and establishing hiring practices;

**Finance Committee:** The Finance Committee will facilitate an internal audit (required by the diocese) and recommend procedures and practices for sound financial management of the church's resources.

Both committees will work with the vestry and the rector. While the committees will be on-going in purpose and review, these won't be lifetime commitments. If you are interested, contact Mother Amy, [rector@stlukesdenver.org](mailto:rector@stlukesdenver.org) or Senior Warden Mary Wamsley, [captccpd@hotmail.com](mailto:captccpd@hotmail.com).
