

Tech Tuesdays

Event Information: The Virginia Department of Education's Training and Technical Assistance Center at Virginia Tech is proud to announce their "Tech Tuesday" lineup for 2024. We will be hosting monthly sessions on various assistive technology solutions to support communication. These sessions will be virtual and last 1-2 hours. Attendance certificates will be provided.

Target Audience: general and special education teachers, related service providers, paraprofessionals, parents and assistive technology team members

Sessions:

- January 23 = Ablenet
- February 6 = Eyegaze
- February 20 = PRC/Salttillo
- March 5 = TobiiDynavox
- March 12 = Speak For Yourself
- March 26 = Smartbox

For more information about each session click [here](#)

Registration: use this [link](#) to sign up for our January session. Registration for February coming soon!
