Architect/Project Manager

We are seeking a creative, passionate professional Project Manager/Project Architect to join our exceptional team of architects and collaborate on some of Kentucky’s most prominent projects.

Who We Are:

K. Norman Berry Associates Architects is an architectural firm serving Kentucky and the surrounding area with comprehensive design services for over 45 years. KNBA has developed a work environment that encourages collaboration, harnesses technology and expands the vision of the firm for our staff, consultants and clients.

The firm currently has offices in Louisville and Lexington, Kentucky, and is proud of the long-term commitment we practice, both in the architecture we produce and the service our firm members give to the profession and our communities. We approach each project with a sustainability mindset as stewards of our community.

We have an accomplished and diverse portfolio with primary concentrations in preservation and adaptive re-use, higher education, community living and state government projects. Current notable projects include the U of L Belknap Academic Building, the Historic Lexington Courthouse and 111 Whiskey Row restoration.

Who you will work with:

You will work with leaders and teams who are smart, talented, kind, and supportive. We value the diversity of our people and their wide levels of experience within the profession.

Who You Are (Abilities):

- You possess strong written and verbal communication skills
- You are comfortable interacting with all levels of the organization
- You are self-motivated and operate with a strong sense of urgency
- You get things done by engaging in high level teamwork and flexing your interpersonal skills
- You are highly organized
- You have a strong sense of aesthetics

What You Have Accomplished (Qualifications):

- Licensed to practice Architecture in the United States, minimum 5 years’ experience
• Legally authorized to work in the U.S. on an unrestricted basis, without sponsorship
• Ability to follow a project through, with some guidance, from inception to completion of construction documents
• Ability to translate complex designs into clear and concise details and construction documents
• Must be able to work as part of a team
• Exercises independent judgement, solves problems when encountered
• Must be able to interpret the Client’s needs
• Proficiency in Revit is a must
• Knowledge of LEED rating systems, certification preferred
• Technical fluency so as to address mechanical and structural coordination issues

What Your Role Will Be (Responsibilities):

• You will be involved in the design and management of a comprehensive building project from inception to completion.
• On larger projects, you will be a key member of a collaborative team; and on smaller projects you may independently manage all aspects of a project.
• Strong organization skills are essential to balance multiple projects at different stages in the development process, from feasibility studies and concept design, to construction documentation and administration.
• Coordinating and prioritizing resources to assure the timely completion of multiple projects.
• This role is suited for an articulate designer with practical knowledge of local planning and building codes.
• As a strategic communicator and initiator, you will represent the firm to our clients, consultants, contractors, and industry peers, as well as respond to local government agencies during design review and entitlement processes.
• Employees may be asked to perform other tasks not listed in the essential job functions.

Your Career at KNBA:

• Collaboration on Award Winning Projects
• A culture that promotes a healthy, fulfilling work/life balance
• Benefit package including: Medical Insurance, Life Insurance, Dental Insurance, Vision Insurance, Paid Days Off, Paid Holidays, Short-Term Disability, Long-Term Disability and 401K Plan.

KNBA is an equal opportunity employer and all qualified applicants will receive consideration without regard to race, color, religion, sex, national origin, disability status, veteran status, sexual orientation or gender identity.
