THE LIST

# Best Places to Work in Greater Louisville, 10-24 employees

Ranked by BPTW score

Locally Researched by: Allison Stines, Louisville Business First

ABOUT THE LIST

For the Best Places to Work program, employees of nominated companies are asked to complete a Quantum Workplace survey.

The Quantum Workplace Best Places to Work survey measures 10 key engagement categories. Companies are ranked by a proprietary calculation. Quantum Workplace conducted confidential online surveys with employees of nominees to measure employee attitudes across themes.

Companies are ranked and finalists are chosen in each size category according to their overall score.

Information used for this list was provided at the time of the survey.
