

**Job Title**

Architect

**Schedule**

Full Time

**Job Location**

La Grange, KY 40031

**Job Description**

Encompass Develop, Design & Construct is seeking an experienced Architect. If you are eager to join an organization that is passionate about giving back to the communities in which they work, you've found the right organization.

Our ideal candidate is extremely creative and artistic, a tremendous relationship builder, works hard to build collaboration with those they work with, enjoys creative thinking, is a strong communicator, and always drives to work in the most ethical and truthful way.

Candidates must possess a passion to create and a passion to serve. Fantastic listening skills are required, as is a respect and understanding for established schedules and deadlines.

The Architect will work as part of a team with other Design Team Members, Owners (Partners), Project Managers, Owner's Representatives, and Contractors. The ability to communicate professionally and work well with others in a collaborative environment is necessary for success in this role.

Candidates should also possess a wide range of presentation skills, as well as a flexible mindset capable of supporting the various projects and directives being developed. Strong leadership skills and discipline are essential to this role along with being able to skillfully handle tight time frames.

**Job Duties & Responsibilities**

Daily - be driven, creative and artistic, a tremendous relationship builder, work hard to build collaboration with those you work with, enjoy creative thinking, be a strong communicator, and always drive to work in the most ethical and truthful way.

A passion to create and a passion to serve.
