OLL School Fall Open House October 13th

Word-of-mouth from our current parents and parishioners is always one of the most effective ways of spreading the word about joining our school community. It's already time to start shouting from the rooftops that applications for new students for the 2022-2023 school year are now available online. The priority deadline for PS, PK, and Kindergarten is December 15.

Our first **Open House is Oct. 13 from 6:30pm - 8:00pm**. We'll have student-led tours, and a chance for families to learn more about our educational programs and extracurricular activities. Prospective families can register to attend by contacting Deven McCoy at dmccoy@ollseattle.org. Thank you for passing along this info to families who may be interested! All attendees must show proof of being fully vaccinated against Covid-19.

Thank You to Ned Delmore for Speaking Last Weekend on behalf of Saint Vincent de Paul

Beginning the Conversation... Building a Racially Just Parish

A Message From Our Sister Parish in Yali!

Hope this message finds you all well. Hope you are all healthy. We are trying as much as we can to stay healthy, but we have seen lots of coronavirus cases, this is because people forgot about some of the measures and started to go out without masks. Now we have the Delta Variant which is causing more deaths, we have seen so many priests and doctors who have passed away. Also, teachers whom I know have gotten very sick. A lot of them work with me at the school. Face masks are starting to disappear and alcohol and other cleaning products have increased in price. As I always say we have three pandemics in Nicaragua. Pray for all of us as we continue praying for you also.

-Take care, Keyla

Join Our Family of Faith

Our new Family Faith Formation program, A Family of Faith, for families to grow together in prayer and knowledge of the Catholic faith. Activities and lessons are designed for parents and children ages Kindergarten through 8th grade. Together with other families you will explore the faith and find ways to incorporate it into your family life! If you would to join in, please contact Kendra Baker.

In honor of National Hispanic Heritage Month, the participants of the first monthly OLL Anti-Racism meeting asked we include this prayer.

God of all peoples and nations, Dios de todo el mundo — We praise you for your creativity made manifest in the gifts of tribes, ethnicities and cultures across the world. Each one bears your mark of goodness and grace.

We especially praise you and thank you for your children with Hispanic heritage — the descendants of Spain, Mexico, the Caribbean, Central and South America. We find you in the beauty of their art, the joy of their song and their commitment to la comunidad — community.

We hear you in their call for a more just world — one of solidarity and liberation. We know you better because of the witness of their faith, may their faith and ours be bound together by your love in convivimiento — conviviality — that spirit of unity, respect and empathy for which there is no substitute.

Keep all those with Hispanic heritage in your care, hold them in your love and make us fierce advocates and allies for welcome, inclusion and the common good.

We pray with Nuestra Señora de — Our Lady of Guadalupe, patroness of all the Americas.
Amen.
