Dynamic Core Benefits

Training Support

Let ECAS help with your training needs. Members have access to online courses that promote safety and professional development while minimizing job site downtime.

After achieving your Red Seal, education towards a Blue Seal or Gold Seal is available primarily online through ECAS.

Danatec

ECAS members receive discounts through our training partners for select critical courses such as ESTS and First Aid

St. John Ambulance
SAVING LIVES
at work, home and play

Contact us to see how we can help with additional training geared for apprentice success.

SASKATCHEWAN POLYTECHNIC

Affinity Programs

ECAS has negotiated discounts for our members with various local businesses

Advocacy

ECAS has built positive relationships with TSASK, SATCC, consultants, suppliers and distribution. We are consulted regarding Act and Regulation changes and expect a busy year in 2024 as the new UCA is adopted and new Regulations are created for our industry.
