GEM - A new way to do business

What is GEM?

The Government Enterprise Management (GEM) system is a new financial, human resources and procurement system. Suppliers will begin using GEM In the near future to conduct business with the government. We are committed to supporting you and your teams as we transition to GEM.

What are the benefits of GEM?

GEM offers a number of benefits for suppliers, including:

- Standardized processes with system prompts for mandatory requirements;
- Ability to update contact information online;
- Ability to view all contracts and purchase orders online;
- Online help desk support, self-service or ticket submissions;
- Communication with the Procurement Management Division within the system;
- A centralized Supplier Master Data module that captures the supplier lifecycle (registration, bidding, evaluation, communications, contract management and progress tracking);
- Automated electronic notification; and
- Better insights for planning and forecasting through real-time data and reporting, proactive analysis and two-way communication.

What will my organization use GEM for?

Your organization may use GEM for:

- Submitting tenders and amendments;
- Receiving award notifications;
- Receiving purchase orders;
- Contract redlining and execution;
- Updating contact information and address; and
- Receiving notifications to submit proposals through GEM.

Find updates, training, resources and more on saskatchewan.ca, or scan the QR code.

When will my organization begin using GEM?

The Government of Saskatchewan will launch GEM in 2025.

What does my organization need to do to get ready for GEM?

- Read information we share about upcoming changes;
- Participate in any open houses, information sessions and webinars;
- Watch training videos and ask questions; and
- Prepare your team to use the new system confidently and effectively.

How do I find more information about GEM?

We will post updates, training, resources and more on saskatchewan.ca/procurement-training.

How do I get access to the supplier portal?

To get added to the supplier portal, please send your contact information (legal corporation name, first and last name, phone number and email address) to pmdadmin@gov.sk.ca. This will allow us to set up your access for you in the supplier portal ahead of the launch date.
