

Amador ACES Collaborative

Next
meeting!
Tuesday,
Feb. 13!

Join the movement
to prevent ACEs*,
heal trauma,
and build
resilience!

*Adverse childhood experiences

Be part of our local initiative to lead Amador County in addressing the impact of **Adverse Childhood Experiences** (ACEs), and changing systems to be **trauma-informed**. Learn about ACEs, their effects on our community, and help guide the conversation in how local efforts can build a resilient Amador. For more information and to RSVP, please call the Amador Child Abuse Prevention Council at 223-5921.

Who Should Attend?

School District Staff, Law Enforcement, Community Based Organizations, Health and Human Service Providers, Medical Providers, Youth, Seniors, Faith Leaders, Local Businesses, Substance Abuse Prevention Organizations, Dental Providers, Community Members, Service Organizations, Parents, Grandparents, Foster Parents, First Responders, Homeless Advocates, Child Care Providers, & so many more!

Strong Communities Raise Strong Children
