

Best Practices: Integrated STEM in Early Childhood

Date:

Time:

Who:

Info: Register by December 3, 2020
*Please register with the email address that will
be used for the Zoom Meeting.

Location: Virtual Zoom Meeting
-Zoom link will be emailed with the Agenda and
any necessary items within a week of the
training.
-Please check your email regularly during this
time period.

To register for this professional learning session,
select the following:

To create an account on Workforce Registry, visit
<https://www.caregistry.org>

In this interactive session,
participants will:

- Identify STEM (Science, Technology, Engineering, and Math) components in an early childhood classroom.
- Discuss dynamic planning for developmentally appropriate STEM environments and interactions/conversations.
- Discover how this approach includes universal design for learning.
- Recognize how this approach supports dual language learners.

For additional information or special accommodations, please contact:

Elena Bromme: CPIN@sjcoe.net or (209) 468-4939
