Little Free Libraries offer a way to share good things to read: books that intrigue, books that teach, books that are fun! **Whose libraries are these?** They belong to everybody: neighbors, friends, people we don't even know yet. Anyone can use them. That's why we want to take care of them. **Share a book:** after you read a book, bring it to any Little Free Library, and bring other books from home that you would like to share. **Take a book:** if you see a book you would like to read, take it, and then bring it back for someone else to read.
